Classified By: Acting POLMIL Counselor Christopher Buck; reasons 1.4(b)  
and (d).

11. (C/REL to Afghanistan) On June 25, polmiloff provided  
reftel A notification to Malik Quraishi, Director, Policy and  
Oversight, Office of the National Security Council (ONSC),  
who will relay it to Mohammad Zia Salehi, Situation Room  
Director. Salehi, our primary ONSC contact on detainee  
issues, was indisposed on June 25. Polmiloff reiterated  
Administrative Review Board (ARB) procedures, per reftel, and  
requested that the GoA notify the relatives of the six  
individuals listed in reftel A and provide any information  
that the relatives or GoA might wish to share in written form  
to the Embassy within 30 days of this notification. Quraishi  
acknowledged receipt and advised he or Salehi would provide a  
response.

12. (C/REL to Afghanistan) Polmiloff reminded Quraishi that a  
response on the six detainees listed in reftel C is due this  
week and that a response regarding the 11 detainees listed in  
reftel E also remains pending. Mr. Salehi had advised  
polmiloff last week that fighting in these detainees' home  
regions has made it difficult to get responses from their  
families and provincial officials.
